Languages	C#, Java, SQL, HTML, CSS, JavaScript, TypeScript
Frontend	React.js, Tailwind CSS, Media Queries
Backend	Firebase, SQL, Stripe API, Node.js, Express.js
Tools	Git, GitHub, Unity, Adobe Creative Suite

Projects

E-commerce Website
Sept 2023 - Present

HTML | CSS | JavaScript | React.js | Tailwind CSS | Firebase | Node.js | Express.js | Stripe API

- Developed a Full-stack e-commerce platform using React, Tailwind CSS & more, implementing global states and context.
- Implemented advanced state management for dynamic shopping carts, real-time updates, ensuring seamless user experience.
- Designed and developed a robust product catalog with search and filtering options, enhancing navigation and usability.
- Built a user account management system, including registration, login, and profile management, ensuring data security.

Real-time Chat Application
Sept 2023 - Present

HTML | CSS | JavaScript | React.js | Tailwind CSS | Firebase

- Developed a real-time chat application using React and Firebase, demonstrating proficiency in asynchronous data handling.
- Integrated WebSockets for seamless communication, significantly enhancing user engagement with real-time interactions.
- Designed a responsive UI leveraging modern CSS frameworks, ensuring optimal experience across various device types.
- Built secure user authentication and messaging features with a focus on maintaining performance and data security.

Blog Website
Sept 2023 - Present

HTML | CSS | JavaScript | React.js | Tailwind CSS | Firebase

- Created a blog platform supporting Markdown, providing writers with flexible, easy-to-use content creation tools.
- Used Firebase for secure authentication and data storage, ensuring reliable user management and content persistence.
- Implemented React Router for smooth navigation, greatly improving overall site accessibility and user experience.
- Styled the interface using advanced CSS techniques, resulting in a clean, modern, and professional appearance.

Professional Experience

GIG Staff
2018 - 2021

Warehouse Assistant | Waiting Staff | Retail Assistant

- Managed packaging and parcel sorting in a high-pressure environment, enhancing organizational and teamwork skills.
- Interacted with clients to fulfill orders efficiently, improving communication and customer service abilities.
- Assisted in streamlining warehouse operations, leading to significant reductions in processing time and errors.
- Developed multitasking abilities by handling multiple tasks while maintaining high quality and attention to detail.
