Hamza Khan

London | HKVain786@gmail.com | devkhan786 | dev-khan.netlify.app | in hamzakhan786

Full-stack Software Developer with expertise in front-end technologies, adept at creating responsive, user-friendly web applications. Skilled in HTML, CSS, JavaScript, React, and Firebase, with a strong commitment to continuous learning and mastering new frameworks.

Skills

Languages	C#, Java, SQL, HTML, CSS, JavaScript, TypeScript
Frontend	React, Tailwind CSS, Media Queries
Backend	Firebase, SQL, Stripe API
Tools	Git, GitHub, Unity, Adobe Creative Suite

Projects

E-commerce Website
Sept 2023 - Present

dev-khan.netlify.app

- Created a comprehensive e-commerce platform using React, Firebase & Tailwind CSS, utilizing global states and context.
- Implemented advanced state management to support a dynamic shopping cart, real-time updates, and a seamless user experience.
- Designed and developed a robust product catalog with extensive search and filtering options, enhancing user navigation.
- Built a complete user account management system, including registration, login, and profile management.

Real-time Chat Application
Sept 2023 - Present

dev-khan.netlify.app

- Developed a real-time chat application using React and Firebase, demonstrating strong proficiency in asynchronous data handling.
- Integrated WebSockets for seamless communication, significantly enhancing user engagement through instant, real-time interactions.
- Designed a responsive, accessible UI leveraging modern CSS frameworks, ensuring an optimal user experience across all devices.
- Built secure user authentication and messaging features with a focus on both performance and data security.

Blog Website
Sept 2023 - Present

dev-khan.netlify.app

- Created a robust blog platform supporting Markdown, providing writers with flexible, easy-to-use content creation tools and features.
- Used Firebase for secure authentication and data storage, ensuring reliable user management and content persistence across sessions.
- Implemented React Router for smooth navigation, greatly improving the user experience and overall site accessibility.
- Styled the interface using advanced CSS techniques, resulting in a clean, modern, and professional look and feel.

Professional Experience

Agency Staff
2018 - 2021

Warehouse Assistant & Waiting Staff

- Managed packaging and parcel sorting in a high-pressure environment, enhancing organizational and teamwork skills.
- Interacted with clients to fulfill orders efficiently, improving communication and customer service abilities.
- Assisted in streamlining warehouse operations, leading to a significant reduction in processing time.
- Developed strong multitasking abilities by handling multiple tasks simultaneously while maintaining quality.

Education

FreeCodeCamp
Sept 2023 - Present

HTML, CSS & JavaScript Certifications

- Responsive Web Design | JavaScript Algorithms

Brunel University
2022 - 2023

MA Digital Games: Theory & Games Design

- Game Development | Unity Engine | C#
